

## **Andy Ek Completes Congressional Internship**

WASHINGTON, D.C. - Congressman Jerry Moran today announced that Andy Ek has completed his summer congressional internship in his Washington, D.C. office.

"The internship program is a good opportunity for young people to get a better understanding of the federal government," Moran said. "I was happy to have Andy working on behalf of Kansans."

A native of Emporia, Ek graduated from Andover High School in 2000. He will graduate from the University of Kansas (KU) with a degree in business administration and accounting in December 2004. At KU, Andy is a founding father of the Pi Kappa Phi fraternity and a member of the KU chapter of the National Society of Collegiate Scholars. Ek is also a Whittaker Leadership Scholar.

"I was extremely excited to learn more about the legislative process and appreciate the numerous opportunities this internship provided," Ek said. "I gained much from this experience and also learned a great deal about our government."

In the office, Ek assisted Congressman Moran with legislative and administrative duties on behalf of the people of Kansas' First Congressional District.

Andy is the son of Greg and Debby Ek of Wichita and the grandson of Don and Elaine Ek of Emporia.
